

Adrien Hubert Brue (Bruê/Brué)

Born 1786

Named novice 1st class on board the *Naturaliste*, having been discovered on board on 19 October 1800 once the vessel was under sail

Age on departure from Le Havre: 14

Died in Sceaux (Hauts-de-Seine) on 16 July 1832 from cholera, after a celebrated career as a cartographer that saw him named as the king's geographer
